Note: (Comment on Back of Ordinance of the Te-Moak Tribe...) 1. 10 mph in Educational area is fine. Do not agree with 10 mph (2) in any business district, leave at 15 mph. The Te-Moak Ord. as of today is still 15 mph, so why is there a 10 mph posted on the speed trailer next to Smoke Shop. While this Ord. is still in review until next Te-Moak meeting(?), the speed limit is still 15 mph. There should be no citations issued until this Proposed Ord. Amendment is official. – Doyle Tybo.
